What is the Fundraising Association doing and Where to from here?

- ❖ On 7 March the Association held the first sausage sizzle at Anaconda. We must have got it right because we have been offered more days later in the year, so yes, we will be asking for more assistance (Saturdays and Sundays are being considered). Stay posted on this one.
- ❖ There are whispers of another trip to AIS Canberra in 2010. This would be open to all competitive members over the age of 8 years. Keep posted.
- ❖ We need input from our Recreational members in what can be done to assist this group.
- ❖ Come along to our next meeting on Monday 6 April...last meeting for Term One. Times at this stage are unsure as it may be moved back to 7pm. We only need 1 hour of your time.
- ❖ Get Organized for 2010. As in 2009 we shall be soon sending out order forms for the 2010 Family Organizer Calendar. Excellent value at \$16.99 each. If you purchased one in 2009 you will know how beneficial it is in assisting to organize the family members and events. All orders must be placed by mid May and delivered in September. They make a great xmas present. So why not get organized early.
- ❖ Guess What... No Easter Raffle. Instead we ask support on the Fun Comp day in holding a 100's board. For \$2.00 a number is bought... all 100 numbers must be sold then we draw the winning and 2nd prize from the barrel. Prizes: 1st \$35.00 cash, 2nd \$15.00. You have to be in it to win it. Drawn on Fun comp day 5 April 2009.

All donations are greatly appreciated.

In March, Beth Cantwell from Norwex Naturally Clean, donated cash to our association, as commission from the sale of products purchased by AGDA members in 2008.

Many thanks for your donation Beth and good luck in your business venture.

Beth's excellent products can be sighted on www.norwexnaturallyclean.com.au or by emailing Beth on beth@norwexnaturallyclean.com.au

Special mention to John Eckel from Sunstate Automatics, Caboolture, for his time and assistance in setting up the B.B.Q. for Anaconda's Sausage Sizzle. Also for the loan of his camping gear which was indeed extremely useful in making us look like professionals in the art of Sausage sizzling....

Thanks John .

Many thanks to Cameron at Anaconda, Morayfield for inviting our organization to hold a sausage sizzle in their car park.

Please support these businesses as they have supported A.G.D.A. members through their efforts and services.
